

Help!

Hello it's Julie here from Natural Health.

This is a very quick email, because I need to ask a small favour from you..

To say thank you for supporting the shops through a very difficult financial year (not to mention the phone scam thing) I'd love to send you a Special Christmas card in December.

But I need to check that I have all your details right and up to date.

I would really appreciate it if you could fill in the details below and email them back to me - today if possible!

Please email to info@naturaltherapycentre.co.uk

Your name

Your address

Date of birth

Loyalty card number (if known)

If you have any questions at all do drop me a line.

Thanks so much - I really appreciate this,

Julie
