

Bit unusual this - but not if you like singing..!

Hello - Its Julie - I hope you're well!

I just wanted to let you know about something a little different than usual..

Tim (Natural Health customer and very talented man who composed my podcast music) is running a singing workshop in Hertford on Sat 27<sup>th</sup> March from 10.30 – 4.00 at the Quaker rooms (Railway Street Hertford)

His new workshop is called 'Sing Your Heart Out!' – and it's going to be a mixture of Gospel music as well the African and world songs - It promises to be an truly exciting, uplifting and rewarding day.

The workshop is for everyone from absolute beginners to seasoned pros - and everyone in-between (including the tone deaf - like me)

Tim assures me that you're guaranteed to leave with a huge smile and be bursting with the confidence and joy that singing out loud brings!

There are 12 spaces available left today and he has said that anyone who books up and mentions my name or Natural Health will get £5 off the workshop price!

Here's his website for more info:
