

Help! Testers needed (nice reward too...)

Hello -

It's Julie here

Just a quick e-mail to ask you for your help.

Natural Health is really pleased to have been selected to help Solgar Vitamins and Herbs test their new Information leaflets which Solgar have had to create due to new legislation coming in next year (boo).

So we're looking for some volunteers, it will be really easy and to thank you for your time you will get a £10 off voucher for all Solgar products - not bad eh!

The testing days will be in both the Hertford Shop and the WGC shop and Solgar will really appreciate your thoughts and feedback.

The testing days will be:

Saturday 22nd May and Saturday 5th June in WGC

And Saturday 29th May and Saturday 12th June in Hertford.

..And don't worry, you will not be asked to consume any products - Solgar only want your feedback on a leaflet!

Basically, you'll be asked to read the leaflet for about 15 minutes then answer questions on the ease of readability – that's it. Then they give you the £10 voucher.

They are looking for 40 volunteers, so if you can take part please drop me a line as I have to book you in at a suitable time and on the best day and shop for you.

So just give me a call on: 01707 392020 (WGC) or 01992 550101 (Hertford)
Or email me on: info@naturaltherapycentre.co.uk

And I'll get back to you.

Thanks so much for your help, both Solgar and myself really appreciate it.

See you soon

Julie
